

MOUNTAIN TRAIL BOWHUNTERS  
P.O. BOX 79, CHENANGO BRIDGE, NY 13745

To whom it my concern,

Mountain Trail Bowhunters, an interstate, international, not-for-profit organization, was founded in 1971 to foster, promote, expand and perpetuate the practice of, and interest in, field archery, bowhunting and the spirit of good fellowship among archers. Interest in both bowhunting and target archery is now greater than ever and we at Mountain Trail Bowhunters hope to maintain the interest in this sport for years to come. We host a variety of shoots and events throughout the course of the year, including Pig Roast/Casino Nights, winter and summer archery leagues, along with a number of different types of archery related tournaments and events.

Mountain Trail Bowhunters is looking for sponsors to assist us in offsetting the high costs we incur each year in purchasing new 3-D Animal targets. Our advertising year runs from May 1st to April 31st.

**Here's what Mountain Trail can offer you:**
